## Gibtelecom launching fully licensed IPTV service this Spring

**Gibtelecom will be offering attractive offers for its broadband customers, bundling TV with broadband and mobile service to give customers the best value**

The Company has been exploring the introduction of a TV offering for some time but it was important for Gibtelecom to build relationships with the content providers and ensure that all channels and programmes on a Gibtelecom platform were fully licensed to distribute in Gibraltar.

Gibtelecom are very excited about launching a TV service with some great new features. Further announcements will be made over the next couple of months with regards to pricing, bundles and content offerings.

Additionally Gibtelecom understands some of its customers may have been getting notices or receiving advice from alternative service providers that it is necessary for Gibtelecom's telephone and broadband service to be disconnected if they are to continue to receive their current providers' television services. Gibtelecom want to reassure customers that this is not the case, and that no cables belonging to Gibtelecom's fixed line network need be removed or the service disconnected. Indeed Gibtelecom's customers would, with the Company's new IPTV

service, be able to derive comfort that they are accessing fully licensed television content. Customers can therefore remain confident that they can always continue to receive and use their Gibtelecom fixed, voice and broadband lines.

Customers wanting further information on Gibtelecom's services should visit the Gibtelecom website on [www.gibtele.com](http://www.gibtele.com), call our 24/7 customer service line on 20052200 or call in at our shop at 15/21 John Mackintosh Square which is open six days a week.

You won't want to turn your  
TV 

Coming Spring 2018

# Gibtelecom employees donate to The Calpe House Trust

Gibtelecom's CEO Tim Bristow and Adrian Ochello, Head of Marketing and Business Development are pictured below presenting a cheque of £2,394 to the Calpe House Trust.

The funds were raised from employee payroll contributions over the past 18 months.

Gibtelecom also supports the Calpe House through making an annual donation towards the development

of the new Calpe House of £10,000 for the three years from 2016 to 2018; and through setting up three donation telephone numbers allowing callers to make their own contributions.

*Pictured Left to Right: Tim Bristow (Gibtelecom), Deborah Huxley (Calpe House Trustee), Adrian Ochello (Gibtelecom), Albert Poggio (Calpe House Trustee) and Ian McGhie (Calpe House Trustee)*

# Draw your own Monster with Gibtelecom

Gibtelecom ran a 'Draw Your Own Monster' Competition throughout December for children and teens aged 4-16

- Beatriz Bassadone**  
£50 Music Corner Voucher
- Lauren Montado**  
iPad
- Sophia Povedano**  
iPad
- Amelia Skillicorn**  
£50 reload card
- Mya Robertson**  
£25 reload card

# Supporting the community

Gibtelecom once again supported various local charities throughout December

Gibtelecom contributed £3,000 to the GBC Open Day fund through various initiatives, such as donating the proceeds from an employee raffle as well as having Christmas characters handing out Gibtelecom cupcakes and chocolates around town on GBC Open Day in return for a donation to the charity.

Gibtelecom also raised money for Save the Children Gibraltar with employees making a donation to the charity so they could wear Christmas jumpers to work on the 15 December.

**HELP US RAISE MONEY FOR THE CALPE HOUSE APPEAL**

**TO DONATE DIAL**

<b>8602</b>	£2 donation
<b>8605</b>	£5 donation
<b>8610</b>	£10 donation

**Gibtelecom**

WILL BE DONATING ALL PROCEEDS FROM CALLS TO THESE NUMBERS TO THE CALPE TRUST

Please make sure you have the bill payer's permission before making the call. Calls will be charged at the donation amount for each number.
