Calpe House Donations

Gibtelecom presented the Calpe House Trust with a cheque of £2,000 from charity premium numbers

Gibtelecom has been supporting the charity making an annual donation of £10,000 for three years (2016 to 2018) towards the development of the new Calpe House. The Company also set up three donation telephone numbers free of charge allowing callers to make their own contributions towards Calpe House, with Gibtelecom waiving its share of the revenue and donating it towards the charity.

The total money raised via the charity premium numbers during 2018 was £1,893 with Gibtelecom topping up this amount to £2,000.

A cheque was presented to Calpe House Chairman Albert Poggio and Trustees Deborah Huxley and Charles Marfe by Gibtelecom's Shaun Zammitt.
