Did you know, you can create your own TV guide by putting the content you love the most into your **Favourites** tab? You'll be able to swiftly access your favourite channels, as well as viewing a personalised TV guide of what's coming up. To do this please follow the steps below:

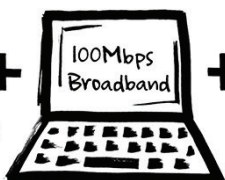

- When you are on your **'My Home'** page press the right arrow until you get to the **'Favourites'** tab and then press **'OK'**
- A pop up will appear on your screen. Press **'OK'** and select the channels you want to add by going to the channel logo with the arrow keys and pressing **'OK'** (this will "heart" the channel box). Once you have selected all the channels you wish to add press **'Confirm'**
- Your own channel list will now appear under the **'Favourites'** tab as well as a personalised TV guide

Gibtelecom sponsors Innovation Awards

Once again this year Gibtelecom, together with Gibraltar Federation of Small Businesses (GFSB), sponsored the "Business Innovation Awards"

The Innovation Awards were launched 3 years ago to champion businesses who bring products and technologies that are new to Gibraltar, or those who operate by deploying an innovative process, method and systems, resulting in an enhanced offering to the Gibraltar market.

This year saw the highest number of contesters for the award to date. The

panel of judges shortlisted the applicants to 6, and these went through a second round of presentations.

This year's winners were Hempassion, a company which produces and sells hemp-extracted CBD oil and products in Gibraltar.

The first prize consisted of £2,000 worth of IT and telecommunications equipment, sponsored by Gibtelecom, and a year's worth of advertising in the GFSB's InTouch magazine.

Left to right: Shaun Zammitt (Gibtelecom), David Martinez and Naydan Porro (Hempassion) and Eran Shay (GFSB)
