Gibtelecom Rock Cup

The 2018/2019 Gibtelecom Rock Cup final was held on 28 May 2019 seeing Europa FC beat Gibraltar United FC 3-0

Gibtelecom have been sponsors of the Gibtelecom Rock Cup since 2016, recognising the importance of sport in everyday life and its wider benefits for the local community. It was therefore particularly pleased to partner with the GFA in this thrilling knock-out competition, modelled on the UK's FA Cup, that is growing from strength to strength. The work and commitment of local teams and the GFA in nurturing young talent are values shared by Gibtelecom.

The final saw the culmination of this competition which brings together local clubs and gives them an incredible opportunity to represent Gibraltar in Europe. Europa FC managed to retain this prestigious cup title for the third year running, with all goals scored in the second half. Gibtelecom applaud their hard work and dedication, as well as that demonstrated by all participating teams this year.

The trophy and medals were presented by Gibtelecom's Head of Marketing and Business Development, Adrian Ochello and Minister for Sport, Culture, Heritage and Youth, The Hon Steven Linares. The event was well attended and was also streamed live online.

Gibtelecom supports eSports in Gibraltar

The Gibraltar eSports and Video Gaming Association (GEVGA) held its first LAN party last month

The event which was held at the Central Hall saw a large number of local gamers and guests attending and was open 24/7 during 10 to 12 May.

One of the main aims of the event was to raise the profile of eSports in Gibraltar and encourage participation via group tournaments and friendly matches. Many local online players have not actually met and this forum allowed players to meet, share ideas and enjoy eSports at one venue.

Gibtelecom provided robust and resilient internet connectivity during the LAN party, essential for the success of the event. No doubt this will be the first of many more events of this nature and we wish the GEVGA every success in the future.
